Dear Mr Leith.

Dr J. W. Stapp, the bearer of this note is a Swedish gentleman who is travelling thro' India collecting zoological specimens for the Stockholm Museum. He came out with the Swedish Prince. He is very anxious to see the Parsee Towers of Silence and I am sure for the interests of Science you will help him. Also that you will help him in any way you can in Bombay. He is I imagine a German Scholar — and you have German at your finger ends. I am sure you will find him very interesting.
